Task 1: Social Media Campaign Design

7-Day Content Calendar for CodeAlpha - Instagram & LinkedIn

Goal: increase brand visibility, build trust and drive student interest across Instagram and LinkedIn. **Posting time (suggested):** 6-8 PM IST, when students are most active. Each day follows a content pillar so the page feels varied but consistent: Intro, Educate, Prove, Trust, Engage, Tips, Community.

Weekly Plan at a Glance

Day	Theme	Format
Day 1 - Monday	Brand Intro	Carousel (LinkedIn + Instagram)
Day 2 - Tuesday	Educational Tip	Single image / quick tip graphic
Day 3 - Wednesday	Intern Spotlight (Social Proof)	Photo/quote card + short post
Day 4 - Thursday	Trust Builder	Infographic
Day 5 - Friday	Engagement Post	Poll (LinkedIn) / Story poll (Instagram)
Day 6 - Saturday	Career Tip	Reel (20-30 sec)
Day 7 - Sunday	Community + CTA	Motivational quote card + Story

Detailed Posts

Day 1 - Monday	Brand Intro
Format	Carousel (LinkedIn + Instagram)
Post idea	Slide 1: 'What is CodeAlpha?' Slides 2-5: domains offered (web, Python, Java, cloud, app dev, marketing). Last slide: how to apply.
Caption	Your career doesn't start after graduation. It starts with your first real project. Meet CodeAlpha: hands-on virtual internships built for students. Swipe to see the domains you can join.
Hashtags	#CodeAlpha #InternshipOpportunity #StudentCareers #VirtualInternship #LearnByDoing

Day 2 - Tuesday	Educational Tip
Format	Single image / quick tip graphic
Post idea	'3 projects every beginner coder should build' - to-do app, weather app, portfolio site.
Caption	Stuck on what to build next? Start with these 3 beginner projects. Each one teaches a different core skill, and each one looks great on a resume. Which one will you build first? Tell us below.
Hashtags	#CodingForBeginners #ProjectIdeas #100DaysOfCode #LearnToCode #CodeAlpha

Day 3 - Wednesday	Intern Spotlight (Social Proof)
Format	Photo/quote card + short post
Post idea	Feature an intern: name, domain, project built, one-line quote. Use the CodeAlpha template.
Caption	From 'I don't know where to start' to a finished project. Meet one of our interns and see what they built during their CodeAlpha internship. Want to be featured next? Complete your tasks and tag us!
Hashtags	#InternSpotlight #CodeAlphaInterns #StudentSuccess #ProjectShowcase #CareerGrowth

Day 4 - Thursday	Trust Builder
Format	Infographic
Post idea	'How our internship works': Apply > Offer Letter > Complete 2-3 tasks > Submit > QR-verified certificate.
Caption	Wondering how it all works? It's simple: get your offer letter, complete 2-3 tasks, submit, and receive a QR-verified certificate with a unique ID. Transparent from start to finish.
Hashtags	#VerifiedCertificate #InternshipCertificate #TransparentLearning #CodeAlpha #CareerStart

Day 5 - Friday	Engagement Post
Format	Poll (LinkedIn) / Story poll (Instagram)
Post idea	'Which skill do you want to learn next?' Options: Web Dev, Python, Cloud, Digital Marketing.
Caption	Friday question: what are you learning next? Vote in the poll and tell us why in the comments. We'll create content around the winning skill next week.
Hashtags	#PollOfTheDay #SkillUp #TechCommunity #StudentsOfLinkedIn #CodeAlpha

Day 6 - Saturday	Career Tip
Format	Reel (20-30 sec)
Post idea	On-screen text: '3 LinkedIn tips for interns' - share project status, post a video explanation, tag the company.
Caption	Your LinkedIn is your portfolio. 3 quick tips to make your internship work visible to recruiters. Save this reel and share it with a friend who is job hunting.
Hashtags	#LinkedInTips #ResumeTips #PersonalBranding #InternLife #CodeAlpha

Day 7 - Sunday	Community + CTA
Format	Motivational quote card + Story
Post idea	'Your future is built by what you do today.' Add a call to action: DM/visit codealpha.tech to join.
Caption	New week, new skills. Ready to turn learning into real experience? Join our community of student interns and start building. Link in bio.
Hashtags	#MondayMotivation #FutureReady #BuildYourFuture #JoinCodeAlpha #StudentCommunity

Tips to Maximize Results

- Use one consistent colour palette and logo placement on every graphic.
- Reply to every comment within 24 hours to boost the algorithm and build community.
- Always tag @CodeAlpha and use 5 focused hashtags rather than 30 generic ones.
- Track likes, comments, shares, saves and profile visits; double down on the top-performing day.
